

## MED+ SERVICES

### Joint Clinical Assessments:

Med+ HHC representatives have the experience and expertise to engage in consultative joint Clinical assessments to ensure therapists have the best options at their fingertips, resulting in better outcomes and improved lifestyles for our clients by delivering superior product solutions and services every time.

### Educational In-service Programs:

Med+ HHC offers educational in-services and training on every product we carry to ensure safe use and maintenance of the sometimes complex medical mobility, positioning and pressure relieving devices being employed in the daily lives of our clients. Med+ HHC can help ensure you know how to use and adjust these critical devices.

### Maintenance & Repair Services

Med+ HHC offers ongoing maintenance services and programs to prevent and repair mechanical breakdown of your medical mobility equipment and other devices.

Med+ HHC also conducts repairs on a "no cost for labour" basis in Retirement and Long Term Care Homes owned or operated by our Health Care Partners.

## MED+ SERVICES *(continued)*

### Cleaning Services

Med+ HHC employs self-contained, enclosed wheelchair washing machines to clean and disinfect Wheelchair frames, Seating and Positioning devices, including Rollators and Walkers in a systematic and efficient process.

Med+ HHC also provides residents of Homes in which we operate with complimentary cleaning of equipment that has undergone repair in our Service Department.
